

Deadline: 30 June 2009

**2nd ALUMINIUM
IN RENOVATION
EUROPEAN
AWARD 2009**

UK First Prize: £5,000

**UK Chair of Judges:
Prof Michael Stacey**

'The winning buildings should illustrate that to upgrade the environmental performance of residential and non-residential buildings, Aluminium is THE sustainable solution.'

Aluminium for Future Generations

The Aluminium in Renovation European Award 2009 is an initiative of the Building Group of the European Aluminium Association (EAA) and Aluminium For Future Generations (AFFG) in cooperation with Aluminium Associations in many European countries.
